YOGA is Back!

Enjoy yoga combined with the healing properties of Halotherapy. Our instructor Michelle Devine has been a Samapati (Hatha) Yoga Instructor since 2011. She has over 1000 hours of instruction time, while teaching at her own studio and elsewhere. Michelle instructs at all levels but focuses on offering simplified instruction to beginner students as they learn the many asanas (postures) in yoga practice. She enjoys leading meditation such as yoga Nidra and restorative classes. Michelle promotes the yogic philosophy of being easy on oneself and practicing to a comfortable level. Building off the yogic theory of ongoing self-acceptance.
